

THE
STEEL
DISTRICT

OFFICE / RETAIL / HOTEL & CONVENTION CENTER / RESIDENTIAL LIVING

ABOUT THE PROJECT

The Steel District is a fully-integrated *live, work, play, stay* development thoughtfully designed to build upon the number one ranking city for young professionals, Sioux Falls, and its lively downtown scene. The riverfront destination, bolted to the Big Sioux River, features office, retail, restaurant, condo, hotel, and convention space providing an all-inclusive experience.

LIVE

The Steel District Lofts redefine luxury living in a mix of condos available for purchase and stunning apartments available for rent, all with spectacular views of Downtown Sioux Falls. The Steel District Lofts are designed with tenants and owners in mind, understanding the importance of ending the day in a relaxing and welcoming atmosphere. Interiors include blonde cabinets, quartz countertops, oversized windows, polished concrete floors, and patios with a view. Upgraded lofts showcase tiled fireplaces, a tiled backlit wine bar, and heated bathroom floors.

- 98 Luxury Lofts
- Two-story condos on the ground level overlooking the riverfront
- Single-story condos on the 6th floor overlooking downtown and Upper Falls
- Community Room & Patio overlooking the Levitt

OUTDOOR SPACES

LEVITT AT THE FALLS

Be a part of the culture and action happening at Levitt at the Falls, an outdoor amphitheater venue presenting over 50 free events for the community including concerts, fitness activities, workshops, and more.

FALLS PARK/GREENWAY

Office tenants can enjoy the view of the famous Falls Park, a serene oasis with vast waterfalls, green space, and bike/walking paths, and the planned greenway. A great place for all guests and employees to enjoy and unwind between meetings and work, offering the ideal work/life balance advantage.

JACOBSON PLAZA AT FALLS PARK

Just overlooking Jacobson Plaza, a community space complete with an ice ribbon in the winter all-abilities playground in the summer, your employees and guests are sure to have a multitude of activities and spaces to relax.

COURTYARD

The Steel District courtyard, at the intersection of the development's restaurant patio spaces, offers the tenant employees and guests yet another opportunity for off-site meetings, relaxation, and socialization.

LLOYD LANDING

The newly built plaza is named Lloyd Landing and includes multiuse public space – a shelter for picnics or other gatherings, a multipurpose synthetic turf lawn, a small dog run, seating and a photo station. The area also has plans for new public art and future activities including outdoor fitness, food trucks and live music.

T. DENNY SANFORD SPLASH PAD

The splash pad is being funded with help from T. Denny Sanford, who will donate up to \$1.75 million. It will be about 15 percent larger than the one recently opened at Hayward Park.

PAWSIBLE PARK

Pawsible Park at Jacobson Plaza will be a large, turfed area ideal for the growing number of nearby canine neighbors. “When it comes to Sioux Falls, we’re all about what’s possible – or ‘pawsible,’ if you will,” Pat Lloyd said. “We think the name of this park builds on the inspiration of the Arc of Dreams, which symbolizes those who saw and believe in the possibilities Sioux Falls holds for all – and of course, that includes the animals we love as well.”

PARKING Within the development: 930 ramp spaces, 70 surface spaces, access to public parking. On-street parking will be managed by the City of Sioux Falls and will be metered in 'zones' with pay stations. The parking ramp will be managed by Lloyd Companies. None of the parking ramp spots are reserved (except for roughly 60 spaces for condo owners). The parking ramp will be available for both transient/guest parking along with long-term contracted parking. The ramp will be free after 5:00 pm and before 7:00 am on weekdays and free on the weekend (subject to availability); spaces will still be reserved for the hotel and residential uses as well as any office tenants who may have employees working outside the 7 am to 5pm time frame. Contracted Parking to the ramp will be accessed by license plate scanner and transient parking to the ramp will be read by pulling a ticket.

ELECTRICAL SYSTEMS 200 amp subpanel on each floor

TELECOM Landlord shall bring service to a demarcation point on the main floor of the building.

HVAC The Office Tower is comprised of a 2-pipe hydronic mechanical system with electric, water-cooled heat pumps. Heat pumps are placed throughout the shell spaces at a ratio of 1-ton cooling/350sf. Each heat pump will have an individual thermostat to allow for individual control of each space. Tenants will be able to heat or cool their office spaces at all times of the year. The hydronic system is a central system with evaporative fluid coolers located on the roof and boilers located in the penthouse. Tenants will have the ability to add additional heat pumps with landlords approval. Any required ductwork to be installed by tenant at the tenant's costs. All heat pumps to be connected to the 480V panels on their respective floors.
