NEIGHBORHOOD MAP & TRAFFIC

Through continued public and private investment, downtown Sioux Falls has evolved into a vibrant mixed-use environment where people come to live, work and play. Community leaders have seen the value in preserving the downtown history, while setting the stage for a new generation of storefronts, projects, and investments. Downtown has emerged as a paramount economic development amenity that has become a critical asset in attracting and retaining businesses, residents, and visitors to the City. The City of Sioux Falls has recognized the importance of leveraging public investment and improvements downtown to stimulate private investment. **The public and private sectors will invest an estimated \$400 million downtown in the next three years.** These investments will provide additional office, retail, housing, and hospitality options, and improve our public infrastructure. Ultimately improving density, connectivity, and walkability to downtown for our residents and visitors while positively impacting the entire community.
