LLOYD LANDING

The newly built plaza will be called Lloyd Landing and include multiuse public space – a shelter for picnics or other gatherings, a multipurpose synthetic turf lawn, a small dog run, seating and a photo station. The area also is planned for new public art and future activities including outdoor fitness, food trucks and live music.

T. DENNY SANFORD SPLASH PAD

The splash pad is being funded with help from T. Denny Sanford, who will donate up to \$1.75 million. It will be about 15 percent larger than the one recently opened at Hayward Park.

PAWSIBLE PARK

Pawsible Park at Jacobson Plaza will be a large, turfed area ideal for the growing number of nearby canine neighbors. “When it comes to Sioux Falls, we’re all about what’s possible – or ‘pawsible,’ if you will,” Pat Lloyd said. “We think the name of this park builds on the inspiration of the Arc of Dreams, which symbolizes those who saw and believe in the possibilities Sioux Falls holds for all – and of course, that includes the animals we love as well.”
