# Ease of Access

Dawley Farm Village is located at the crossroads of Veterans Parkway and Highway 42. Just minutes from I-229 and I-90, Dawley Farm is at the heart of the rapidly-growing east region of Sioux Falls. Conveniently located less than 15 minutes from both Downtown Sioux Falls and Brandon, the shopping center brings in visitors from the city of Sioux Falls and neighboring rural communities.

The State of South Dakota Transportation Commission approved plans to complete construction on the remaining 8.5 miles that make up the southern section of Veterans Parkway. This project is the final stage in connecting I-29 and I-90 with construction expected to begin in 2023 and an anticipated completion date in 2026. This 6-lane (3 in each direction) addition is aimed to largely reduce congestion on nearby roads and prepare Sioux Falls for 2050 transportation system needs. With this addition, it is anticipated that the area of Dawley Farms Village will largely increase in traffic.

The area is also very accessible by other means of transportation with bike paths and bus routes developed around and through the shopping area. The center is designed with ample sidewalk & bike path space to be pedestrian-friendly and welcoming neighboring residents to visit.
